New Practices projects online workshops

Join us for these FREE professional development ONLINE opportunities during October

New Practices projects online workshops

New Practices in Flexible Learning has produced a range of projects with exciting outcomes which will be presented via synchronous 'virtual classroom' sessions using the software 'Elluminate'.

Your Online (Just in Time) Learning Assistant (YOLA)

This workshop will explore new ways to support learners to develop basic skills. This support can be linked to an existing resource or can be used as a stand-alone resource.

2 October 2007, 2.00 to 3.00pm EST

Presented by Holmesglen TAFE, Victoria

To join the session, click on the link below within 120 minutes of the specified time.

ARED: Applications for Rapid E-learning Development

This workshop will give developers and teachers the capacity to more easily create their own educationally sound e-learning resources.

4 October 2007, 2.00 to 3.00 pm EST

Presented by Holmesglen TAFE, Victoria

To join the session, click on the link below within 120 minutes of the specified time.

Virtual Worlds – Real Learning!

This workshop and resource is for the VET professional who wishes to expand their teaching tool repertoire. It offers models and guidelines for a teacher to incorporate the use of virtual worlds into their teaching practice, thereby providing their learners with a whole new learning experience and, potentially, greater understanding of their subject matter.

3 October 2007, 2.00 to 3.00pm EST

Presented by Glenda McPherson, GippsTAFE, Victoria

To join the session, click on the link below within 120 minutes of the specified time.

Bringing on mobile learning: handheld innovations in flexible learning

Examine the potential of the handheld, Personal Digital Assistant (PDA) and its use for learning in the workplace.

5 October 2007, 3.00 to 4.00pm EST

Presented by Marcus Ragus, TAFE Tasmania

To join the session, click on the link below within 120 minutes of the specified time.

Using your voice online

A workshop to assist in integrating 'voice' technologies into educational e-practices within a range of adult education and vocational training settings.

9 October 2007, 12.30 to 1.30pm EST

Presented by Michael Coghlan, TAFE South Australia

To join the session, click on the link below within 120 minutes of the specified time.
